Agreement

Operator understands Manuals approval through the REGULATOR can take anywhere from a week up to 60 business days, depending on their workload.

Operator understands that the Manuals Representative designated on this form must be the first point of contact for the Regulator. Any technical questions or changes to the manuals requested by the regulator can be directed to AniSOFT Aviation. AniSOFT Aviation will make every possible effort to assist in getting the approvals issued as soon as possible.

Operator understands that additional documentation may be required by either AniSOFT Aviation or the concerned certification authority.

By signing this application, you authorize AniSOFT Aviation to prepare your company regulatory manuals for the aircraft and your operations as listed above. The 80% charges for this service (including support through the approval process) has to be paid to us upfront along with this order, the balance would be due upon approval of the manuals ordered..
