

Privacy Policy

AniSOFT Aviation Technical Consultants (AATC) Disclaimer

Your Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

Google Adsense

Google, as a third party advertisement vendor, uses cookies to serve ads on this site.

Tracking of users through the Google Adsense mechanisms are subject to Google's own privacy policies.

Other Third Party Ad-servers or Ad-networks may also use cookies to track user's activities on this website to measure advertisement effectiveness and other reasons that will be provided in their own privacy policies, AniSOFT Aviation Technical Consultants has no access or control over these cookies that may be used by third party advertisers.

Collection of Personal Information

When visiting AniSOFT Aviation Technical Consultants, the IP address used to access the site is logged along with the dates and times of access. This information is purely used to analyze trends, administer the site, track user's movement and gather broad demographic information for internal use. Most importantly, any recorded IP addresses are not linked to personally identifiable information.

Links to third party Websites

We have included links on this site for your use and reference and have no associations with them in any manner and we are not responsible for the privacy policies or commitments on these websites. You should be aware that the privacy policies of these sites may differ from our own.

Photographs on this Website

All the photographs displayed on this website have been acquired from the internet and may have their own copyright, thus any copying or use of them is strictly limited as per the copyright owner and AniSOFT Aviation Technical Consultants is not responsible for what so ever.
